HARVEST

# INTRODUCTION

---

The attached prayer stations on the theme of 'harvest' are designed to be printed on A3 paper but you should be able to adjust your printer settings to your local paper size. Text may not be large enough for some participants if you choose to print on smaller paper.

Some of the stations require extra items, these are listed below and are generally readily available.

### Looking at the Past :

A collection of different leaves

### Nurturing New Life :

A variety of seeds

### Hopes and Dreams :

Some branches or a small tree

Postage labels

Pens

# SETTING UP THE STATIONS

---

Depending on your setting, you may like to just stick the printed sheets to the wall or you may prefer to set up stations on small tables using fabric and lights to create a different mood.

You might like to have some gentle, relaxing music in the background but music tastes differ so it's also worth thinking about whether it is a good opportunity to engage with silence.
